RE: Planning Commission Meeting March 6, 2003

The Planning Commission Meeting will be at 7:00 p.m. on Thursday, March 6, 2003.

A request had been received from Sand Products Corporation for a Special Use Permit for a Planned Unit Development. Notices had been sent to property owners within 300' and an ad was placed in the Manistee News Advocate. Sand Products Corporation has requested that the Public Hearing be *postponed*. Notification postponing the Public Hearing has been mailed and an ad placed in the paper. Sand Products will notify us when they would like the meeting scheduled.

With Sand Products Corporation pulling their request we do not have any agenda items that require action by the Planning Commission. I have been in contact with Jerry Adams who will be trying to forward our copies of the Master Plan in time for us to have for the meeting.

We will continue to discuss updating the Zoning Ordinance and any other items that may come before us.

See you at the meeting!
