MANISTEE TREE COMMISSION
MINUTES
MARCH 8, 1994

The Manistee Tree Commission met Tuesday, March 8, 1994 at 6:30 p.m. in the second floor conference room of City Hall.

PRESENT: Bob Davis, Jack Garber, Gregg King, Tom Kubanek, Dale Picardat, Jim Scarlata and Jane Schimke.

Picardat reported that tree planting ads will run in both newspapers again. Not enough requests have come in to review at this time. The cut-off date for the ads in March 18th and the commission will meet Monday, March 21, 1994 at 6:30 p.m.

It was noted that the City has many places where any extra trees could be planted.

Garber agreed to answer a M.S.U. student in regard to a street tree inventory project.

Schimke brought up the subject of the railroad property on Arthur Street and the fact that Randy Homan of Blossom Boulevard would like to work with us to make that area more attractive.

Picardat noted Arbor Day is April 30th.

Respectfully submitted,

Jane Schimke, Secretary
