including Civil Rights and PHA Plan Elements that Have Changed**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or X Annual PHA Plan for the PHA fiscal year beginning 01/01/2017, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.

 - ___ 903.7a Housing Needs
 - X 903.7b Deconcentration and Other Policies Governing Eligibility, Selection, Occupancy, and Admissions Policies

 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
 6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
 7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identifying any impediments to fair housing choice within those programs, addressing those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and by maintaining records reflecting these analyses and actions.
 8. For a PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2010-25);

- The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting lists would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).

 12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.

 16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.

 18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).

 20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.

- CMHC, in collaboration with the City of Manistee Police Department has established a neighborhood watch for our family sites and for our Century Terrace high rise.

Guidance to Required Form

- a. The State ConPlan addresses housing and community development needs in the State of Michigan, including homeless individuals and persons with AIDS. The plan references strategies developed to address the following goals of the programs that it covers during the next five-year period. These include:
1. Expand the availability and supply of safe, decent, affordable, and accessible rental housing for low and extremely low-income individuals and families;
 2. Improve and preserve the existing affordable housing stock and neighborhoods;
 3. Increase homeownership opportunities for individuals and families by reducing the costs of homeownership;
 4. Make homeless assistance more effective and responsive to local need through local autonomy and movement toward a continuum of care;
 5. Develop linkages between housing and service sectors to provide greater housing opportunities for households with special needs; and
 6. Establish a suitable living environment and expand economic opportunities for low and moderate-income people through economic and infrastructure development.

In your description, please specify how the strategies identified in the LHA's annual and five year plans address one or more of these six goals.

- b. The State ConPlan covers the planning and funding application aspects of four U.S. Department of Housing and Urban Development's formula programs; the Community Development Block Grant (CDBG), the HOME Investment Partnership (HOME), the Emergency Shelter Grant (ESG), and the Housing Opportunities for Persons with AIDS (HOPWA) programs. There are five action plans within the ConPlan, which identify the eligible uses and applicants for these funds. Please identify which, if any, of these five funding sources the LHA intends to utilize and how the funds will be utilized.
