

Alternate Parking

The City of Manistee leaf / snow removal ordinance requires alternate parking from October 15 to April 15, on all city streets, seven days a week. Exceptions are on streets posted: "No Parking 3:00 am – 7:00 am" - this area is located in the downtown business district.

To avoid being ticketed, please abide by the following rules when parking on all city streets:

- Park on the even-numbered side of the street on even-numbered days.
- Park on the odd-numbered side of the street on odd-numbered days. For months that end on an odd day (29th or 31st) there is no change over on the 1st day of the month. You will park both days on the odd numbered side of the street.
- The change-over time is from 4:00 pm to 7:00 pm; after 7:00 pm you need to be parked on the side of the street for the next day.
- Parking is permitted on both sides of the street in areas posted "No Parking 3:00 am – 7:00 am."

Ensure that you are parked on the appropriate side of the street when restrictions go into effect October 15 - before you go to bed, think ahead! If you have questions please call the [City Police Department](#) at 231.723.2533.

October 15 - April 15

Avoid Fines

Fines for violating the alternate parking ordinance will be \$40 if paid within 14 days. After 14 days the fine is \$100. If not paid within the additional 14 days, the citation is turned over to a collection agency. If you have any questions contact the Manistee City Police Department. Your cooperation will be appreciated.
