Situated on the main level of the Marina (entrance on River Street) is a bright intimate space with breathtaking views of the Manistee River Channel. This space is perfect for small gatherings from birthday parties, family reunions, showers, anniversary celebrations and even small weddings. A private balcony overlooking the river is perfect for photos.

Universal Accessibility Lift

In 2009 two new Universal Accessibility Lifts to assist boaters were installed at the City Marina. These lifts are for use by the general public and not limited to boaters staying at the Marina. The South Riverwalk connects the Marina to both Downtown Manistee and Douglas Park/First Street Beach. Pedestrian walkways and benches are located among the trees and grassy areas.

The marina is located on the south bank of the Manistee River on West River Street, near Pine Street, adjacent to the Central Business District. The major activity is boating and there is a fee for docking.
