

constructed 1909 - 1910

Federal Building | U.S. Post Office • 70 Maple Street

Constructed by the Federal Government

The building that is home to Manistee's City Hall was erected in 1909 as a United State Post Office and known as the Federal Building. The city purchased the building in 1964 and remodeled it a year later. In 2003, a complete renovation helped restore the grandeur of the building's architecture.
